BOBROA/26/05/24

Date: 12.05.2026

To

The Office Bearers of BOBROA

Dear Sir,

Re: Verification of Correctness of Pension Calculation

We refer to our letter No. BOBROA/26/04/13 dated 24.04.2026 regarding the general guidelines for verification of correctness of pension calculations.

Subsequently, our team members have raised several queries and sought clarifications regarding the provisions of wage settlements in respect of pay scales, stagnation increments, PQP, and FPP. We advise all concerned to refer to the relevant Joint Notes, manuals, and service condition booklets issued by trade unions, including those of AIBOBOA, for detailed information.

Meanwhile, the Convenor of the BOBROA Pension Committee has undertaken the task of consolidating the relevant information pertaining to the salary components eligible for pension calculation. As a first step in this direction, he has prepared a chart showing the FPP component eligible for pension calculation, scale-wise and salary revision period-wise. The same is being forwarded herewith for your information and ready reference while verifying pension calculations.

Any member seeking clarification or assistance in verification may contact the **Convenor, Shri Ashok Pillewar (Mobile: 9422189708)**, pension committee member, Zonal Secretary or the undersigned.

With regards,

V. B. CHAVAN

GENERAL SECRETARY

BOBROA
