CIRCULAR TO MEMBERS

Dear Members,

Re: BOBROA Activities & Performance during Quarter 2, FY 2026–27

We are happy to inform you that during **July–September 2026**, BOBROA mobilised **121 new members**, taking our total new membership to **237 during the last six months**. Congratulations to all.

We deeply appreciate & are thankful for the encouraging response of our members to our appeal for the support in contribution of **₹10.27 lakh** towards the financials of the Association during the quarter Contributions were also made towards the resolution of pension anomaly cases, settlement of claims, birthday celebrations, felicitations and goodwill gesture We felicitated several **super-senior members on completion of 75 and 85 years of age**, recognising their long and valuable association with the organisation.

Meetings and Resolution of Members' Issues

We conducted **area-wise meetings with members at various centres** as well as online meetings with committees, sharing the latest developments in the industry, at bank, association level and obtaining feedback and suggestions on issues faced by members.

The issues brought to our notice were taken up with the Bank, and many of them were successfully resolved. We also held meetings/ interactions with the BHs, **HR teams, RHs, ZHs ,CGMs, HR DGM and his team at Head Office**.

Our team of representatives met the **Medical Cell and TPA** to pursue the settlement of pending GHI claims and to assist members in resolving related difficulties.

During our membership meetings, management teams and representatives of **AIBOBOA** also joined and addressed members. The Executives appealed for our support in the Bank's business development initiatives. We, in turn, suggested that the Bank should facilitate dialogue with ex-employees through branch-level meetings and town halls in various cities.

Member Engagement and Social Activities

The Association also facilitated **group, club and cluster meetings and get-togethers with families**, providing a common platform for members to greet one another, share their feelings and memories, and recall the good old days.

BOBROA organised workshops to help members **verify the correctness of their retirement benefits** and supported them in representing pension anomaly cases before the Bank. We have also been continuously assisting members in enquiring about and lodging claims and in taking up other issues with the appropriate authorities.

Our members participated in the Bank's **Foundation Day and Independence Day functions** at branches and offices, thereby reaffirming our relationship with the Bank and strengthening our liaison with its officials.

We continue to work in close coordination with **AIBOBOA**, which has been extending its support to us in pursuing our issues with the Bank and providing access to its facilities.

Support from AIBPARC and Follow-up of Legal Matters

Our apex organisation, **AIBPARC**, has submitted its **Charter of Demands** and suggestions regarding the **GHI policy** to the IBA after seeking the views of its affiliates, including BOBROA.

The affiliate General Body meetings were addressed by senior leaders of AIBPARC, and our team of Office Bearers participated in such events. The leaders of AIBPARC and our Office Bearers are closely following up on pending legal cases and keeping members updated on developments from time to time.

Creating Awareness and Addressing Operational Issues

We have noticed certain individual issues and operational difficulties being faced by members. These include:

- Inadequate or incomplete data/information in the **HR Connect portal** in the case of many members. Difficulties faced by **super-senior members and family pensioners** in using the HR Connect portal.
- Operational issues faced by some members in **FDR issuance**, TDS, correctness of ROI & Bob world 2.0
- Need to make awareness among members regarding their **entitlements and benefits**, such as pensions, gratuity, leave encashment, PF, locker facility, excess recoveries under furniture scheme/loan accounts, taxability of leave encashment, submission of life certificate, options & claims, PLI, Abhinandan Yojana, contributory medical assistance, GHI, Sp. Medical aid, health check, medical consultations, ID cards, holiday home, activation of inoperative accounts/ Re-KYC, obtaining loan, getting DR/CR card, etc.

We are making continuous efforts to create awareness and provide information to members through our **website, e-bulletins, Members' Handbook, circulars through email and WhatsApp groups, and membership meetings**.

We request all members to discuss their concerns & those of fellow members within respective member groups and extend help to one another, **particularly to super-senior members and family pensioners**, who may require additional assistance in accessing digital platforms and understanding their entitlements.

In case of any need or difficulty, members may approach the bank through pension paying branch, liaison officers or their respective **Zonal Secretary**. They may also escalate the matter to the Association at bobroa90@gmail.com.
